

## NOW AVAILABLE

We now have a new range of Mangnolia's, including the beautiful new Teddy Bear and Kay Paris in 100lt tubs. We also have 160 lt ficus, these 4+ mt trees are in perfect health and are looking incredible.

We also have some very impressive xanthorrhoea preissii in very large sizes, ranging from a single trunk to the 'seen to be believed' quad trunked monster. Call the very helpful staff in the office if you want any more information on these or any other stock you may need.
